PROFILE

Creative and versatile graphic designer with over 20 years experience across branding, corporate collateral, advertising, packaging, POS, EDM and web design (including Shopify and Wix). Skilled in balancing strict brand guidelines with innovative, fresh design solutions.

Proven ability to collaborate effectively with a wide range of clients, from major corporations to small businesses, ensuring clear communication and strong partnerships. Passionate about delivering visually compelling designs and adhering to brand guidelines, to meet client goals and drive brand success.

DESIGN & MARKETING EXPERTISE

Design & Production

- Expert in digital, web, and print design
- Proficient in email marketing design and strategy, developing Canva templates, EDM platform use, and campaign rollout across e-commerce and retail brands
- Strong background in packaging and print production
- Knowledge of print packaging materials and textile printing
- Skilled in reviewing print-ready files and providing manufacturer feedback
- Experienced in overseeing project design, development, and production

Website Design & Content Management

- Strong experience in designing, building and maintaining websites using Shopify and Wix templates
- Customise and improve design of existing platform templates
- Extensive experience managing backend of e-commerce websites
- Experience integrating marketing tools (eg. Klaviyo) into existing platforms

Marketing & Communication

- Proven experience in marketing communications across print, digital and social platforms
- Experience in working with retail and consumer brands
- High-level written and verbal communication skills
- Liaise effectively with clients and suppliers

Creative Strengths & Capabilities

- Lead projects from concept through to production
- Combine strategic thinking with hands-on design expertise
- Balance design innovation with practical production requirements
- Confident managing timelines, briefs, and suppliers
- Liaise with clients to understand needs and deliver solutions
- Ensure creative integrity through clear feedback
- Skilled at multitasking and delivering high-quality work to tight deadlines
- Strong attention to detail
